### **Policy for Cell Phone, Airpods/Ear Pods, and Other Electronic Devices**

Cell phones are to be silenced and put away. Out of sight. Out of Hand.

Cell phones or other electronic devices (such as - but not limited to ear pods or air pods) may only be used with teacher approval or in an emergency. Students who violate this policy will face consequences as deemed reasonable by the workshop director.

At the discretion of the teacher, your child's cell phone or electronic devices may be collected at the start of class, stored in a convenient place, and returned at the end of class.

Cell phones and other electronic devices may be used during "break times" or other non-instructional times.
